

## **COMPANY PROFILE**

### **PT SINERGI ASET JAGAT INTEGRASI**

#### **ABOUT THE COMPANY**

PT Sinergi Aset Jagat Integrasi is a professional company specializing in asset management, collateral management, property consulting, business consulting, legal support, as well as optimization and settlement services for corporate and collateral assets.

The company serves as a strategic partner for corporations, financial institutions, banking sectors, investors, and business owners by providing integrated solutions in asset management, asset recovery, asset security, asset monetization, and optimization of property and collateral value.

Supported by a professional team with expertise in asset management, property management, legal consulting, business strategy, financial support, and collateral analysis, PT Sinergi Aset Jagat Integrasi is committed to delivering professional, reliable, effective, and result-oriented services.

The company focuses on assisting clients in handling various matters related to:

- Corporate assets
- Financing collateral assets
- Commercial properties
- Fixed asset management
- Asset recovery
- Collateral-based receivable settlement
- Asset supervision and monitoring
- Business and property investment consulting
- Asset optimization strategies to increase business value and productivity

In conducting its business activities, the company not only focuses on administrative and operational aspects, but also prioritizes legal compliance, asset security, risk analysis, and long-term business strategies to ensure that every solution delivered is effective, secure, and sustainable.

PT Sinergi Aset Jagat Integrasi also provides consulting and assistance services related to:

- Asset and property sales
- Property leasing
- Asset marketing
- Collateral asset management
- Transaction assistance
- Asset feasibility analysis
- Property legality
- Asset utilization strategies

Through a strategic and measurable approach, the company assists clients in maximizing the potential of their assets to create added value, operational efficiency, productivity improvement, and business risk reduction.

As a company operating in asset and property solutions, PT Sinergi Aset Jagat Integrasi understands that every client has unique needs and challenges. Therefore, every project is handled professionally through analysis, identification of client needs, strategic planning, implementation, and monitoring tailored to the client's objectives and conditions.

By upholding professionalism, integrity, confidentiality, and service quality, PT Sinergi Aset Jagat Integrasi remains committed to becoming a trusted and sustainable company in asset management, collateral management, property consulting, and integrated business solutions in Indonesia.

## **VISION**

To become Indonesia's leading and most trusted company in asset management, collateral solutions, property consulting, and strategic business advisory by delivering professional, high-value, and excellence-driven services.

## **MISSION**

1. Deliver integrated solutions in asset management, collateral management, property services, and business consulting through professional, strategic, and sustainable approaches.

2. Provide effective, exclusive, and adaptive advisory services, asset optimization, and business solutions tailored to business dynamics and client needs.
3. Offer comprehensive legal assistance, risk analysis, and asset management strategies to create security, efficiency, and sustainable business growth.
4. Uphold integrity, professionalism, confidentiality, and service excellence in building long-term relationships based on trust and reputation.
5. Develop innovative, modern, and premium service standards to become a trusted strategic partner in supporting business growth and asset optimization.

## **COMPANY VALUES**

### **1. PROFESSIONAL EXCELLENCE**

Delivering every service and project management process with professional standards, precision, and quality-oriented excellence.

### **2. INTEGRITY & TRUST**

Upholding integrity, confidentiality, accountability, and business ethics to establish long-term trust with clients and business partners.

### **3. STRATEGIC COMMITMENT**

Committed to providing strategic, effective, and high-value solutions tailored to client objectives.

### **4. COLLABORATIVE SYNERGY**

Building strong professional synergy and collaboration to create integrated and result-oriented solutions.

### **5. VALUE CREATION**

Optimizing client assets, businesses, and investment opportunities through innovative solutions that create sustainable growth and added value.

### **6. SERVICE EXCELLENCE**

Delivering premium-quality services through professionalism, responsiveness, precision, and client satisfaction.

## **BUSINESS SERVICES**

### **1. STRATEGIC BUSINESS & MANAGEMENT CONSULTING**

Providing strategic business and management consulting services to improve operational effectiveness, business efficiency, decision-making, risk mitigation, and sustainable business growth.

### **2. ASSET & COLLATERAL MANAGEMENT**

Providing professional corporate asset and collateral management services, including asset identification, monitoring, optimization, fixed asset management, asset security, and utilization strategies.

### **3. ACCOUNT RECEIVABLE & RECOVERY SOLUTION**

Providing consulting and receivable handling services through collection strategies, recovery management, risk analysis, settlement negotiation, payment monitoring, and professional handling of non-performing receivables.

### **4. LEGAL ADVISORY & CORPORATE LEGAL SUPPORT**

Providing comprehensive legal support services including legal drafting, legal opinions, contract review, corporate legal advisory, legal warning letters, risk mitigation, and dispute resolution.

### **5. REAL ESTATE, PROPERTY & INVESTMENT MANAGEMENT**

Providing property and real estate management services including leasing, asset marketing, commercial property management, asset valuation, property advisory, and investment optimization strategies.

## **COMPANY ADVANTAGES**

### **1. INTEGRATED BUSINESS SOLUTION**

Providing integrated solutions that combine business, legal, asset management, collateral handling, and strategic advisory into one professional approach.

### **2. PROFESSIONAL EXPERTISE & EXPERIENCED TEAM**

Supported by professionals with extensive expertise and experience in asset management, legal advisory, business consulting, and recovery strategies.

### **3. RESULT-ORIENTED APPROACH**

Every service and strategy is focused on measurable results, asset value enhancement, and successful business outcomes.

**4. CONFIDENTIALITY & TRUSTED RELATIONSHIP**

Maintaining the confidentiality of all client data, documents, and information with high professional and ethical standards.

**5. STRATEGIC & LONG-TERM PARTNERSHIP**

Building long-term partnerships through commitment, integrity, service quality, and professionalism.

**6. PROFESSIONAL STANDARD & SERVICE EXCELLENCE**

Prioritizing service quality, strategic accuracy, responsiveness, and professional work standards to deliver an exclusive and trusted client experience.
